

# American Century Diversified Bond I (ACBPX)

91

As of: 12/31/2023

### Fund Objective

The investment seeks a high level of income by investing in non-money market debt securities. Under normal market conditions, the fund invests at least 80% of its net assets in high- and medium-grade, non-money market debt securities. It invests most of its assets in investment-grade securities. The weighted average maturity of the fund's portfolio must be three and one-half years or longer.

### Annualized Total Returns
