

GuideStone Funds Intl Eq Idx Instl (GIYX)

As of: 12/31/2023

Fund Objective

The investment seeks to provide investment results approximating the aggregate price and dividend performance of the securities included in the MSCI EAFE Index. The fund will invest substantially all, and normally at least 80% of its total assets, in the equity securities (primarily common stocks and stock index derivatives) included in the MSCI EAFE Index, in weightings that approximate the relative composition of the securities contained in the MSCI EAFE Index. The MSCI EAFE Index is as an equity index which captures large- and mid-cap representation across developed market countries around the world, excluding the United States and Canada.

Performance data quoted represents past performance. Past performance does not guarantee future results. Investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance quoted. To obtain current month-end performance information, please contact your plan advisor.
